

Camp Alexander Summer Camp, Lake George, Colorado June 6 – 12, 2009

Approximately 350 miles from Albuquerque

We plan to leave for Colorado on Friday afternoon, June 4, and return June 12 in late afternoon. On Saturday, June 5, we will sightsee or do some activity in Colorado, the scouts will decide.

Camp Alexander is located in the beautiful Elevenmile Canyon in the Pike National Forest approximately 45 miles west of Colorado Springs, and two miles south of Lake George, Colorado between 8200 and 8600 feet elevation. The camp consists of hills, low mountains, and valleys covered by a mix of Ponderosa pine forests, high-altitude grasslands, and wetland vegetation along the lake and stream. There is abundant wildlife including black bears, raccoons, skunks, rabbits, squirrels, deer, elk, coyotes, snakes, and bald eagles.

Summer camp is an opportunity to do more than earn merit badges. It is also a time for a boy to learn more about himself, develop his leadership skills, build character, and enjoy the mountain environment.

Scouts will have the opportunity to experience a wide variety of programs, ranging from aquatics to shooting sports, from nature to mountain biking, from rock climbing to the First Class Center where the Scout Handbook comes alive with the essential camping and outdoor skills.

The troop experience should also include hiking/biking in the beautiful Elevenmile Canyon that surrounds Camp Alexander so the scouts may experience the beauty of Pike National Forest.
