

HOBO DINNER

Cook over coals in foil

1 lb ground beef
1 large potato, sliced
2 carrots, sliced

1 medium onion, sliced
salt and pepper
¼ cup water

Have 4 12" x 12" squares of heavy duty foil ready. Form ground beef into 4 patties and place on foil. Put ¼ of the potatoes, carrots and onion on each patty. Sprinkle with salt and pepper. Add 1 T water to each patty.

Bring foil edges together to seal package. Cook over coals for about 15 minutes, turn package over and cook another 10 minutes.

Instead of water, put a few spoonfuls of Italian or French salad dressing or any other sauce on patties. However, read bottle label for hidden ingredients.
