

HOBO POPCORN

Cooked over hot coals

For each serving:

1 tsp corn oil

1 T popcorn

12" x 12" piece of foil

twine

Sticks

Place oil and popcorn in center of square of foil. Bring foil corners together to make a pouch. Seal edges well, leaving room for foil to expand. Tie foil with twine to end of long stick. Hold over coals, shaking constantly until corn is popped. Season with salt and butter
