

CLAY WEBB

**Troop One's 12^h Eagle Scout
September 2001**

What you are doing now?

I run my own company named W and W Stump Removal located in Albuquerque, New Mexico. We plan to develop into a full service tree company within the next year.

Are you married?

Yes, married to Gillian.

Kids (names and ages)

2 kids, 1 boy named Noah Alexander and he is 1-1/2 and 1 girl named Avery Marie and she is 7 months.

Favorite Troop One Memory

My favorite memory was when Josh Schaer, Doug Brown and I pleaded with Mr. Meyer to run the whole 6 month term as Senior Patrol Leaders and Mr. Meyer said "Not gonna happen." We really thought we could pull it off and have three SPLs and no ASPLs.

Words of Wisdom (to new/existing scouts, up and coming Eagles), how Eagle has helped you in life, etc.

Work hard and get Eagle Scout done before I did. I was 17 years old. I would say no later than 16 years old.
